#### REGISTER YOUR MELLERWARE WARRANTY

You thank for purchasing a Mellerware product. Mellerware guarantees that your product has been thoroughly inspected and tested before being dispatched and is free from mechanical or electrical defects and complies with the applicable safety standards. With every Mellerware product purchased you will receive up to a 3 year warranty as detailed in the terms and conditions below.

#### FIRST YEAR – 1 YEAR RETAIL WARRANTY

Should defects due to faulty parts or workmanship develop, under normal domestic use, within 12 months from the original date of purchase please return the product to the store from where it was purchased for a refund or replacement at the discretion of the brand. Mellerware appliances are intended for domestic use only and not for industrial or professional use. The warranty, if the product is used outside of domestic use or used in a commercial environment, is reduced to 3 months with no extended warranty available, all other terms and conditions applicable.

#### SECOND YEAR – OPTIONAL 1 YEAR ADDITIONAL EXTENDED ONLINE WARRANTY REGISTRATION

Mellerware takes pride in its product quality and therefore offer an extended 12 month warranty over and above the 1 Year Retail Warranty. Should defects due to faulty material or workmanship develop, under normal domestic use, after the initial 12 month period and within 24 months from the original date of purchase, please return the product to Mellerware for repair or replacement. The product free of charge should it be found to have a fault. Please refer to your warranty for more information. Mellerware will replace a product with a similar product in the same or better condition, if the repair cannot be conducted for whatever reason. Should the product fall outside of the warranty, Mellerware will produce a repair and delivery quotation for your approval.

**NB:** Registration should be completed at [www.creativehousewares.co.za](http://www.creativehousewares.co.za).

Should you experience any technical difficulties you are welcome to contact our customer service line on 086 111 5006 and one of our consultants will gladly assist with the online warranty registration. Should you not register the product within the 12 months of purchase, you will automatically forfeit this extended warranty.

#### Before returning your product, check the following:

- Your household mains supply socket is in good condition, working and switched on.
- The mains supply circuit is not overloaded (white trip switch on your DB Board is off).
- You have read the trouble shooting guide in your Instructions for Use.
- All accessories and parts are present.

#### The following conditions apply:

1. Please ensure you retain your original receipt as this must be presented when making a claim under the terms of the warranty. It is impossible to determine the warranty period without proof of purchase, so please keep this in a safe place. (NB Your original receipt can be scanned onto the Mellerware website [www.mellerware.co.za](http://www.mellerware.co.za) or Creative Housewares (Pty) Ltd [www.creativehousewares.co.za](http://www.creativehousewares.co.za))
2. If a refund or exchange is required the product must be complete with all accessories, parts and packaging. Missing parts will render the warranty void.
3. Upon receipt of your appliance, check it for any transport damage to ensure it is safe for use. Return it to the store as soon as possible for exchange if damaged. The warranty is void if products are damaged after use, so please do not use a damaged product.
4. Any alteration made to the appliance purchased will void the warranty.
5. Your product is designed for normal domestic household use. Failure to read and comply with the instructions for use, cleaning and maintenance will render your warranty void, so please read these instructions carefully to ensure your safety, and to get the most effective use from the product (e.g. removing lime scale, water deposits, insect infestation, oil and grease products).
6. Any abuse, negligent, improper or accidental use or care will render the warranty void and Creative Housewares (Pty) Ltd will not be liable for any loss or damage.
7. Any attempted repair or replacement of unauthorised parts will render the warranty void, so please contact an authorised service centre or service agent for any service or repair requirements.
8. NB: The warranty on replaced products will be from the original date of purchase and not from when the date replacement was made.
9. All repairs carry a 3 month warranty even if this falls outside of the warranty period.
10. Mellerware will attempt to conduct repairs within reasonable time, this is in line with industry standards but cannot be held responsible or liable for any circumstances not under the brands control.
11. This warranty does not apply to glass components, filters, consumables, and other parts subject to wear and tear.

#### 2. Safety advice and warnings!

Read these instructions carefully before switching on the appliance and keep them for future reference. Failure to follow and observe these instructions could lead to an accident. Clean all the parts of the product that will be in contact with food, as indicated in the cleaning section, before use.

#### 2.1. Use or working environment:

- 2.1.1. Keep the working area clean and well lit. Cluttered and dark areas invite accidents.
- 2.1.2. Use the appliance in a well ventilated area.

2.1.3. This appliance is only for domestic use, not for

commercial use. It is not intended to be used by guests in hospitality environments such as bed and breakfast, hotels, motels, and other types of residential environments, even in farmhouses, areas of the kitchen staff in shops, offices and other work environments.

2.1.4. Keep children and bystanders away when using this appliance.

2.1.5. Place the appliance on a horizontal, flat, stable surface and away from other heat sources and contact with water.

2.1.6. Keep the appliance away from flammable material such as textiles, curtains, cardboard, or paper, etc.

2.1.7. Do not place flammable material near the appliance.

2.1.8. Do not use the appliance in association with a programmer, timer or other device that automatically switches it on.

2.1.9. Do not use the appliance if the cable or plug is damaged.

2.1.10. Ensure that the voltage indicated on the rating label matches the mains power supply voltage before plugging in the appliance.

2.1.11. Connect the appliance to the mains power supply with an earth socket withstanding a minimum of 10 amperes.

2.1.12. The appliance's plug must fit into the mains power supply socket properly. Do not alter the plug.

2.1.13. If using a multi plug check ratings carefully as the current used by several appliances could easily exceed the rating of the multi plug.

2.1.14. If any of the appliance casings breaks, immediately disconnect the appliance from the mains power supply to prevent the possibility of an electric shock.

2.1.15. Do not use the appliance if it has fallen on the floor or if there are visible signs of damage.

2.1.16. Do not force the power cord. Never use the power cord to lift up, carry or unplug the appliance.

2.1.17. Do not wrap the power cord around the appliance.

2.1.18. Do not clip or crease the power cord.

2.1.19. Do not allow the power cord to hang or to come into contact with the hot surfaces of the appliance.

2.1.20. Check the state of the power cord. Damaged or tangled cables increase the risk of electric shock.

2.1.21. The appliance is not suitable for outdoor use.

2.1.22. Power cord should be regularly examined for signs of damage, and if the cord is damaged, the appliance must not be used.

2.1.23. Do not touch the plug with wet hands.

#### 2.2. Personal safety:

- 2.2.1. CAUTION: Do not leave the appliance unattended during use as there is a risk of an accident.
- 2.2.2. Do not touch the rotating parts of the appliance, as it may cause serious injury.
- 2.2.3. This appliance is only for domestic use, not for

commercial use. It is not intended to be used by guests in hospitality environments such as bed and breakfast, hotels, motels, and other types of residential environments, even in farmhouses, areas of the kitchen staff in shops, offices and other work environments.

2.2.4. This appliance is not intended for use by persons (including children) with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

2.2.5. This appliance is not a toy. Children should be supervised to ensure that they do not play with the appliance.

#### 2.3. Use and care:

- 2.3.1. Fully unroll the appliance's power cable before each use.
- 2.3.2. Do not use the appliance if the parts or accessories are not properly fitted.
- 2.3.3. Do not turn the appliance over while it is in use or connected to the mains power supply.

2.3.4. Unplug the appliance from the mains power supply when not in use and before undertaking any cleaning task.

2.3.5. This appliance should be stored out of reach of children.

2.3.6. Do not store the appliance if it is still hot.

2.3.7. Never leave the appliance unattended when in use and keep out of the reach of children.

2.3.8. If for some reason, the appliance were to catch fire, disconnect the appliance from the mains power supply and DO NOT USE WATER TO PUT THE FIRE OUT.

2.4. Service:

- 2.4.1. Make sure that the appliance is serviced only by suitably qualified technician, and that only original spare parts or accessories are used to replace existing parts/ accessories.
- 2.4.2. If the power cord is damaged, the manufacturer or its service agent or a similarly qualified person must replace it in order to avoid a hazard.
- 2.4.3. Any misuse or failure to follow the instructions for use renders the guarantee and the manufacturer's liability null and void.
